

Paving a Path to Bright Futures

Comprehensive Juvenile Services invites you to be a part of paving the path to a brighter future for youth by participating in our brick paving project. A section of the walk leading to the new shelter building will be paved with personalized bricks bearing the names of donors or their loved ones who have chosen to leave a lasting legacy of their commitment to the futures of youth.

The bricks may be purchased for a donation of:
\$100 for a 4"x 8" brick, or \$200 for an 8" x 8" brick.

Please indicate below how you want your brick(s) engraved. Please print one character per square (letter, number, punctuation mark, or space), maximum of 15 characters per line, 3 lines per 4x8 brick, 6 lines per 8x8 brick. Please use another page if purchasing more than 1 of each size.
