

Friends of CJS—

Look at What You've Done!

Thanks to your incredible generosity, we are **53% of the way** to meeting the **Windgate Challenge Grant**—and nearly finished paying the contractor. You've brought us this far, and now we need your help to cross the finish line.

Matching the rest of the Windgate grant will allow us to complete this project **without taking on debt**. From the beginning, our goal has been to build this shelter entirely with cash on hand, keeping our agency financially strong and future-focused. We're so close to realizing that dream—and you can help make it happen.

The building is nearly ready. We're preparing to schedule a **move-in date and an open house**. The only thing standing in the way is the remaining funding. And right now, **every dollar you give is doubled**:

- ◆ \$25 becomes \$50
- ◆ \$100 becomes \$200
- ◆ \$500 becomes \$1,000
- ◆ \$5,000 becomes \$10,000

We invite you to **honor Clay's legacy** by giving generously. Your gift will not only help open the doors of this shelter—it will ensure they remain open for years to come.

Let's finish strong—together.

Romans 8:28

"All our children need the same thing any other kid in the world needs. They need to know they've got people that help them, they've got people that care about them and want them to succeed."
Clay Roper

Mentoring Opportunities

The CJS Mentoring Program pairs teens with experienced mentors who provide guidance, support, and advice as the teens navigate their way through the challenges of adolescence.

If you're interested in making a difference in the life of a youth who is struggling to find their way, we would like to hear from you. Just a few hours spent with a child each week WILL make a difference.
